

# The French Players invite you to attend the

**3rd Annual  
Elegant**

## *Fundraising Dinner*

In honor of the 400<sup>th</sup> anniversary of the founding of Québec, the French Players are preparing a full production of Quebecois playwright André Ricard's *La vie exemplaire d'Alcide 1<sup>er</sup> le pharamineux et de sa proche descendance*. The play follows a family of gangsters as they attempt to turn to honest professions, failing hysterically at every turn. The production is being done outside the university's theatre department and thus has no official budget. We invite you to support this important project by attending an elegant fundraising dinner to be prepared and served by members of the cast. Dinner will be accompanied by entertainment from our talented players. In addition to special thank you gifts, all sponsors will receive a special mention in the program. Thank you for your support!
